Greetings to the Whakamaru School Community

Winter Sports went off well on Friday last week and everybody had a great time. We can all be proud of how Whakamaru students got totally involved in the games and displayed a strong sense of fair play. Many thanks to the parents who helped out with transport and help during the day. Without parent support these Pinelands Inter school activities could not be attended. Thank you for your support.

We thank all parents who contact the school via phone or cell phone when your child is absent. It is a Ministry of Education requirement that if your child is away we are notified of the reason.

WELCOME

Welcome to all the new families in our district from the 1st June farming change over. A special welcome to Blaise and Jade Mitchell who started at school today.
